Kamogawa Sea World

The ocean where you can interact with the glow of life

We rarely encounter sea animals in daily life.
They have unique characteristics and biology and live actively.
The way they embrace life is far beyond our imagination,
which amazes and moves us.
We hope all visitors to Kamogawa Sea World will come face
to face with this amazing sea life and enjoy interacting both
physically and emotionally.

Topic 1 The aquarium operates under the concept of *encountering the ocean world* to entertain and educate at the same time.

With the concept of *encountering the ocean world*, Kamogawa Sea World is one of Japan's most renowned aquariums where visitors can experience the preciousness of life and the wonders of interacting with nature. There are 11,000 river and sea animals from 800 species in exhibitions that recreated the natural environment where visitors can enjoy the performances of killer whales, rulers of the ocean, and belugas, dolphins, and sea lions.

Topic 2 The spectacular performances of killer whales, belugas, dolphins, and sea lions will satisfy you!

Please don't miss the dynamic jumping of killer whales, rulers of the ocean, as well as the amazing and impressive performances of belugas, dolphins, and sea lions. The Guided Discovery Tours and Activities are also popular as the means through which visitors can interact with animals.

Topic 3 The hotel features ocean views where the whole family can stay together and adjoins Kamogawa Sea World.

At the Kamogawa Sea World Hotel, which is directly connected to Kamogawa Sea World, guests can enjoy beautiful ocean views from each room. In addition, large communal baths in the spa, a kid's room with play equipment, and a restaurant offering a full range of services for children are available. Overnight guests can fully enjoy the aquarium because they are allowed to visit it as many times as they want during their stay.
