

BLISSTIA SUITES & RESORT OKINAWA ONNASON

Hospitality that Appeals to All the Senses from a Serene Forest of Onnason Village

Topic 1

**A lanai three meters deep
where you can experience the openness**

Every guest room offers a private space that exceeds 50 square meters where you can enjoy a relaxed stay possible only in a condominium-style hotel. The lanai, which means a large balcony or terrace in the Hawaiian language, is an open-air space three meters deep that offers panoramic views of the beautiful sea and forest filled with sunshine and gentle breezes.

Topic 2

**Pool area where you can fully relax
with breathtaking views**

Set atop a hill, this infinity pool invites you to feel at one with nature with sweeping views of the sky and the forest of Okinawa unfolding before you. The rustling leaves of the trees and the chirping of birds will bring an atmosphere of supreme relaxation. Complimentary drinks and snacks that vary depending on the time of day are available at the adjacent pool lounge. Enjoy a leisurely time there.

Topic 3

**Main Dining “MUI,” where you can
savor the seasonal bounty of Okinawa**

We offer a wide variety of menu options that feature Okinawa's local cuisine and dishes that use carefully selected ingredients from across Japan and the rich blessings of Okinawa, including locally grown vegetables. In the morning, we offer a healthy, comforting breakfast buffet. In the evening, we offer a splendid dinner buffet themed around colors. Savor the food cooked with seasonal ingredients in a setting overlooking the grandeur of nature.

Topic 4

**Local connections through which you discover
an Okinawa not yet seen**

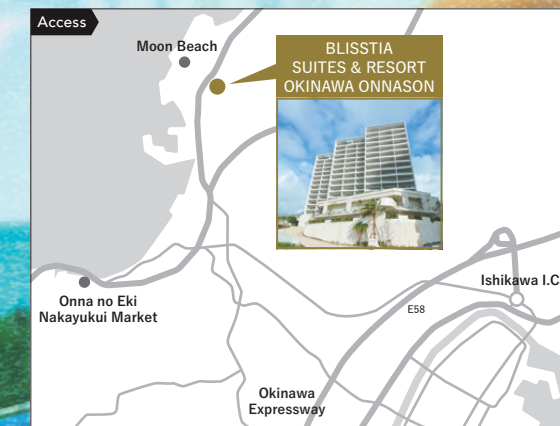

The land relations initiative is an activity where hotel staff collaborate with the residents and businesses of Onnason Village to recommend the lesser-known charms of Okinawa. We offer a one-of-a-kind experience that reveals the unique qualities of Okinawa through the local nature, culture, and interactions with local people. Enjoy a new type of stay at a resort where you can become one with Okinawa.
