Hotel  
INTERGATE  
HIROSHIMA

A good trip starts  
with a great morning.  
Please enjoy a pleasant day  
starting with a hearty service.

A pleasant morning is the starting point of a good trip. Based on this concept, we delivers *the best morning experience* with a wide variety of services. The hotel is decorated with the design of oleander, the flower of Hiroshima City. Please take a look at it.

## Topic 1 The coffee counter is where you can relax.

If you want to take a break during your stay, the coffee counter is the place. It offers specialty coffee brewed from beans purchased from "Kotobukiya Coffee", a well-established local coffee shop. When you get up a little earlier in the morning or if you want to take a break during the day, enjoy the aroma of this specialty coffee, which is only available here, to have a peaceful time.

## Topic 2 The lounge service makes your stay more comfortable.

In the Intergate Lounge on the top floor, snacks and welcome coffee are offered. The terrace seats offer a great view of the city of Hiroshima. Offering a variety of services, including specialty coffee, afternoon service, and late-night snacks at different times of the day, the lounge is available as you like during your stay.

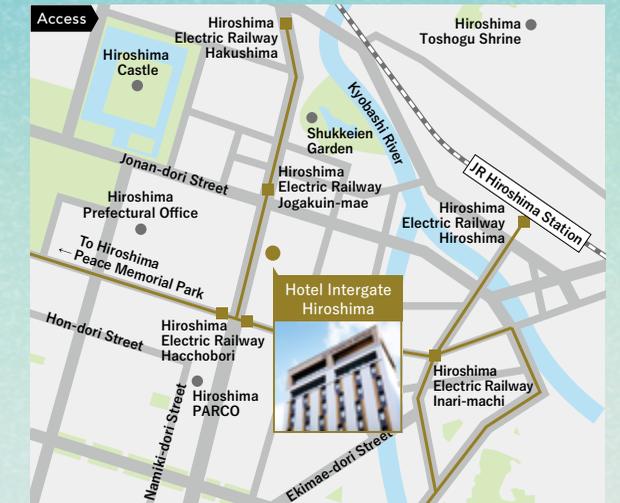

## Topic 3 Located in Hacchobori, the center of Hiroshima City, the hotel boasts easy access from Hiroshima Station.

Located in Hacchobori, which is one of the central areas of Hiroshima, the hotel is convenient for enjoying okonomiyaki and the local cuisine in the many restaurants nearby. Hacchobori Station is a three-minute walk from the hotel and a nine-minute ride on the Hiroshima Electric Railway from JR Hiroshima Station. Because of the accessibility, the hotel is the most suitable place for business, sightseeing, or leisure use. Peace Memorial Park and Hiroshima Castle are also within walking distance.
