

Hotel Intergate Kanazawa

A valuable experience-based hotel where the glamour and serenity of Kanazawa come together

Placing importance not only on the comfort of the rooms and a restful night's sleep but also on the taste of morning coffee and the comfort of the lounge, the hotel delivers *the best morning experience* as the starting point of your trip. We offer a new style of accommodation in Kanazawa that inevitably makes you want to wake up early.

Topic 1 The coffee counter offers the local specialty coffee.

As the gateway to communication that connects the guests, the hotel, and the local community, the coffee counter is available during your stay where the specialty coffee brewed from the coffee beans of "Dart Coffee", which has long been loved in Kanazawa, is offered. Focus on the coffee counter resembling a *chasen* (tea whisk), which represents the culture of chanoyu (tea ceremony) in Kanazawa.

Topic 2 Lounge services for overnight guests provide greater entertainment during your stay.

In the Intergate lounge, which you can freely use during your stay, enjoy a variety of drinks and snacks at different times of the day, including welcome coffee, breakfast, afternoon service, alcohol drinks, late-evening snacks, and other amenities. On Saturday, Sunday, and national holiday mornings, sparkling wine is available. Please feel free to use the lounge during your stay.

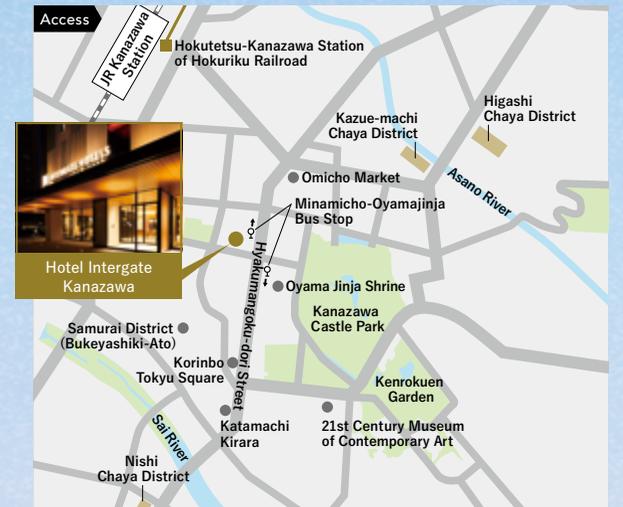

Topic 3 The outstanding location is convenient for sightseeing and business.

Designs that reflect the history and culture of Kanazawa are incorporated throughout the hotel, including the outside walls that use *ishigaki* (stone walls) of Kanazawa Castle as a motif and the interiors expressed with the traditional colors of *Kaga Gosai*. The hotel is located between Korinbo and Musashigatsuji, each of which is one of Kanazawa's most popular downtown areas and within walking distance of major tourist spots, including the Omicho Market, Kenrokuen Garden, and the 21st Century Museum of Contemporary Art. Please use this hotel for sightseeing and business.
