

# Hotel Intergate Osaka Umeda

## An active enjoyable stay is realized in downtown Osaka.

Our specialty coffee, breakfast, and comfortable bedding deliver *the best morning experience*. In addition, the comfortable guest rooms, lounge, spa, and other amenities provide additional luxury. Enjoy a hotel stay that only Osaka can offer.

### Topic 1 The interior design is inspired by the history of the Osaka waterfront.

Osaka has been called the "Water City" because it prospered through its waterborne trade; therefore, the hotel incorporates a design inspired by the waterfront into its coffee counter, elevator halls, carpets, and other facilities to express the history of Osaka. In addition, many playful touches, such as active art walls, are also seen throughout the hotel. You can make your stay more luxurious by enjoying the hotel with your five senses. Please use this hotel for sightseeing and business.

### Topic 2 The Intergate Lounge offers a wide variety of services.

The Intergate Lounge has a big table placed in the center as a multipurpose space not only for meals, working, and talking with others but also for workshops to experience the local culture. The lounge offers a variety of drinks and snacks at different times of the day, including specialty coffees, light refreshment, and ochazuke. You can use the lounge freely during your stay.

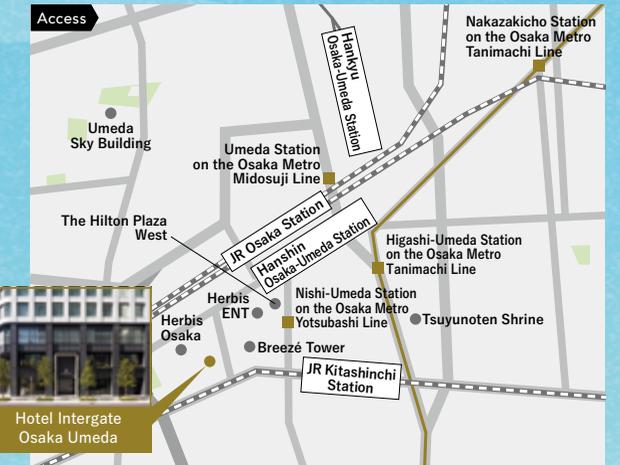

### Topic 3 Specialty coffee made from the beans of a popular local coffee shop

Connecting guests, the hotel, and the local community, the coffee counter offers specialty coffee brewed from beans purchased from "Yamamoto Coffee" and "Hiro Coffee", long-established brands in Osaka. If you get up a little earlier in the morning, or if you want to take a quick break, you can have a pleasant moment in the lounge filled with the locally produced rich aroma of coffee.
