KOBE SUMA
SEA WORLD

Edutainment Aquarium where you can learn while having fun

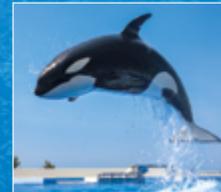

Kobe Suma Sea World is an aquarium that offers edutainment, which is a fusion of education and entertainment. The facilities feature plenty of highlights, including the only orca performance in western Japan, an educational zone that uses digital tools, and a beach where visitors can interact with dolphins. Observe the ecology of different creatures up close, and both adults and children can learn while having fun.

Topic 1 The wide range of facilities replicate area of the natural environment of the Seto Inland Sea to an educational zone about orcas.

Take a look at the variety of exhibits that enable you to realize the importance of life, such as AQUALIVE where you can see the exhibit that replicates the original scenery of the Seto Inland Sea and observe the behavior of creatures, ORCA HALL and its educational programs, and ORCA LAB, the world's first educational zone specialized in orcas that leverages digital tools.

Topic 2 Powerful impact beyond your expectations! Performance by orcas and dolphins

The fully amazing and moving performances by orcas and dolphins are must-see attractions. See the intelligence and athletic ability of them. Our buffet-style restaurant offers a place where you can watch orcas through the large windows while having a meal.

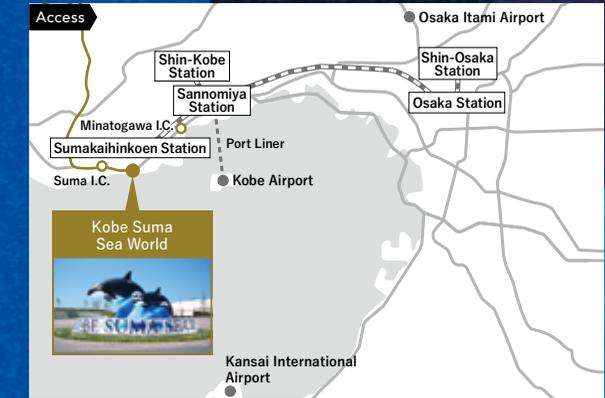

Topic 3 Interactive experience with creatures: Discovery Guidance

Discovery Guidance is also popular in which participants can learn more about creatures. At DOLPHIN BEACH in DOLPHIN STADIUM, participants can interact with dolphins. In addition, a variety of programs such as feeding sea turtles and a backyard tour are available.
